

Dear colleagues and friends,

We have found new speakers filling the last open slots in our interesting conference [program](#) bringing the required special expertise to dig deep into the world of Convergence, IT Outsourcing and Software Contracting, the latter one covering now also cloud computing. This is also a perfect chance to welcome our new gold sponsor Nokia on board!

Summer has finally arrived in Helsinki and our event producer Entre has been confirming the details of the [social activities](#) for enjoyable international networking including the cocktail cruise offshore Helsinki – stay tuned for more information about this in the next IFCLA newsletter!

We have received a good number of registrations through our online registration service on our website <http://www.eventmanager.fi/register/entre-239>. We recommend you to register and book your hotel early enough as Helsinki attracts a lot of tourists in the summer.

See you in Helsinki!
